

ALKIMIA WINES

Ecological, vegan and biodynamic

Our winery and old vineyards in:

mon⁺sant

Denomination of origin

Our 45-year-old organic vineyards and winery in D.O.
Montsant.

On the right, a photo of a 45-year-old Garnacha
strain from our farm. We do organic and biodynamic
farming in our vineyards, located in the town of
Marçà.

We have 2 wells to provide water to the vineyard
when it needs to obtain the highest quality. We
follow the lunar cycles to know the best time to
prune, fertilize, harvest, etc.

EL SECRET DEL TEMPLE

D.O MONTSANT

Carignan
Black grenache
2017

Great attraction in its intense garnet color with lilac tones. On the nose it is perfumed with aromas of red fruits that combines perfectly with aromas of leather, vanilla and chocolate. It is a wine that transmits a feeling of fullness in the mouth.

D.O MONTSANT

Carignan
Syrah
Black grenache

10 months in NEW French oak
barrels

Great attraction in its intense cherry red color. Its smell denotes complexity in the aromas of red fruits that it combines with the aromas of leather, vanilla and cocoa. Balanced and with a long step in the mouth.

Our organic vineyards and winery in D.O.Q. Priorat:

We show you our 45-year-old organic vineyards of Grenache and Carignan, and 27-year-old Cabernet S. that we have in DOQ Priorat, specifically in the town of El Molar.

In the middle of the vineyards we have our winery for our clients can taste our wines between vines, with views of the Montsant, the trees, the slate soils, and the Siurana river that passes in front of the estate.

The fertilizers we use have an ecological certificate. The winery is eco-sustainable and works with solar and wind energy. We also recover rainwater, and we recycle 99.6%.

In the photograph you will see that all the process is done manually and our productions are very small, we passionately work everything we do, until we get high quality wines.

In the field we work with the xapo as you will see in the photographs to remove the weeds around the vine.

ECOLOGICAL AND ECOSUSTAINABLE VINEYARDS

Our vineyards are ecological and biodynamic. We also make wines suitable for vegans (with certificate).

In the winery we use renewable energy such as solar and wind energy. We also recover rainwater, with special tanks, because it is purer.

CLOS ESSÈNCIA DEL SIURANA

D.O.Q. Priorat

92% Black Grenache, carignan
8% Cabernet Sauvignon, Syrah and Merlot

15 months in NEW barrels of French oak (Taransaud, Demptos and Sylvain).

3 years in bottle.

Limited series of 22,000 bottles.

Great attraction in its intense garnet colour with brown tones. The nose is subtle, surprising and complex with aromas of red fruits that combines perfectly with aromas of leather, vanilla and chocolate that leaves a very long palate.

Our third winery.

We present you our third winery without D.O., where we make author wines with ecological, vegan and proximity sale certification. We also hope to have biodynamic certification shortly.

That is why we present you our certified Mistik Ecological wines.

The entire bottling and labeling process is handmade.

Very limited productions. So all the bottles are numbered.

We work with the utmost care in our installations.

Passion for wine!

I hope you enjoy them.
